GENERAL INFORMATION

Instructions

This document includes instructions on how to complete the requirements for making amendments with respect to a Money Transmitter License (License) with the New York State Department of Financial Services (NY-DFS).

Most amendments require advanced notice and/or approval and may or may not be accepted by NY-DFS.

Note especially that prior approval is required by NY-DFS for a change of control under New York Banking Law Section 652-a, which provides, in part, that “it is unlawful except with the prior approval” of the Superintendent of Financial Services (Superintendent) “for any action to be taken which results in a change of control of the business of the licensee.” ***Filing forms and documents in NMLS is not the same as or a substitute for obtaining the prior approval of the Superintendent.***

Uploading Agency-Specific Documents

If you are required to upload documents to NMLS for an Advance Change Notice (ACN), select “Advance Change Notice” for the document type in the NMLS Document Uploads section. If you are required to upload documents for an amendment that doesn’t require ACN, select the applicable document type in the NMLS Document Uploads section.

Note: Use the recommended filing naming convention found on the [Document Upload Descriptions and Examples](#).
